

# RBC - Pole Options / Accessories

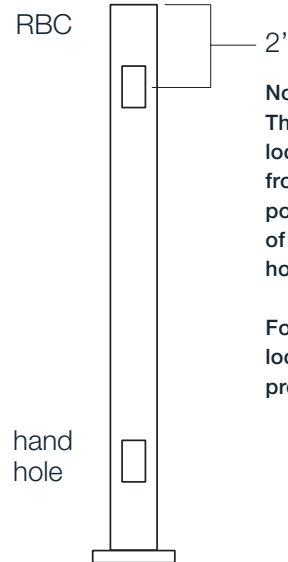

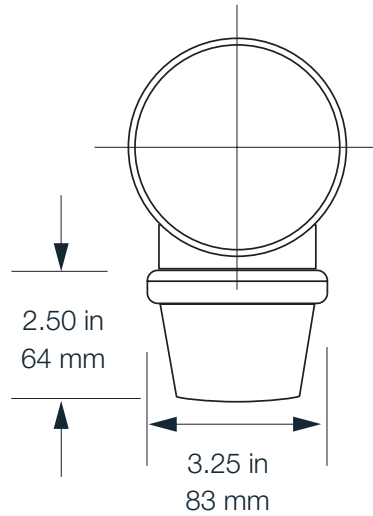

DATE

TYPE

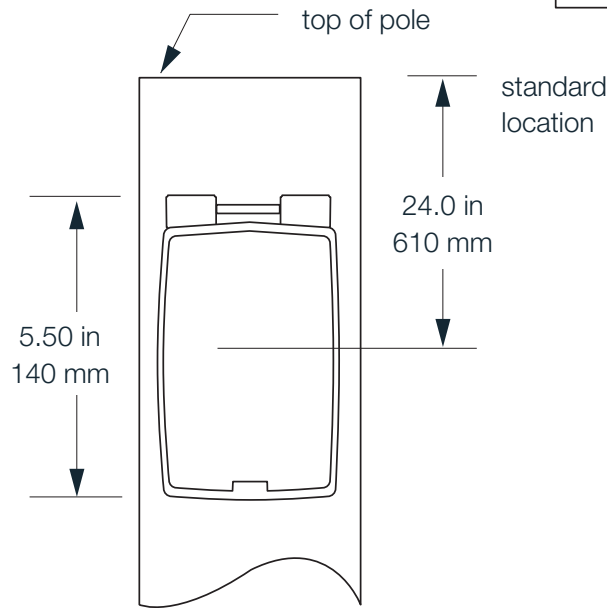

RBC-\_\_\_\_\_

**RBC**

Cast aluminum receptacle housing, integrally welded to the pole. Includes a NEC approved clear weatherproof cover. Does not include a receptacle or internal wiring. (Consult factory for alternative locations.)

**Note:**  
The RBC standard location is 2' down from the top of the pole to the center of the receptacle housing.  
  
For alternative location, please provide drawing.
